

Thank you for your patience and support as we work our way through this uncharted territory that is the COVID 19 pandemic.

We have been closely monitoring and following the directives of the Alberta Dental Association. As per today's directive, we are cancelling all but emergency dental treatment, effective immediately. We assure you; we will continue to provide emergency treatment as needed.

Please be assured that our office is still open, and we are here if you need us!

Should you require assistance, or have a dental emergency, please call our office at
780 434 8749

We will advise you of the date we will resume regular treatment as soon as we receive that directive.

We ask that you continue to carefully follow the advice and direction of Alberta Health Services. It is the responsibility of each of us to look after each other.

We look forward to seeing you again when this crisis has passed.

Stay well!

Heritage Dental Centre Team
